FREQUENTLY ASKED QUESTIONS (FAQ)

BOND PROPERTY TAX RATES

Why am I receiving double tax rate in 2019-2020?

The Maricopa County neglected to include the Bond Tax Rate in property tax bills for Buckeye Valley Fire District residents for Fiscal Year 2018-2019.

Were there any other options besides the double tax rate for 2019-2020?

The District met with Maricopa County Officials and exhausted all efforts to correct the situation and the double tax became the only option to protect the District's credit rating.

How long will the increase rate be in effect?

Only Fiscal Year 2019-2020 will be the double tax rate and Fiscal Year 2020-2021 will decrease to the Bond authorized amortized tax rate.

What does the Bond authorized amortized tax rate mean?

The Bond authorized amortized tax rate means that the tax rate increase approved by voters passed the BVFD Bond Election.

How will these taxes be paid?

If you have a mortgage payment, the taxes will be paid from your escrow account, which will likely create a shortage in your escrow account. Your lending vendor will notify you if an escrow shortage exists. If you do not have a mortgage payment, a separate bill from the County Treasurer will arrive at your house for direct payment.

Who can we contact at Maricopa County for clarification on our property tax bill?

You may contact Maricopa County Treasurer Department at (602)506-8511 for any questions concerning the Amount Due.

- For further information on this tax rate you can call the Buckeye Valley Fire Administration Office at (623) 386-5906.
